

STUDENT CHOICE

Understanding where a student likes to study and what is his/her course preferences helps in providing the right kind of exposure to each student. It would give the student relevant information on the course and country he/she prefers and if that choice is the right one. This knowledge of student choice and country also helps in lining up relevant activities which reap maximum benefits.

Country Preference

- Class 11th & 12th Students

Course Preference

- Class 11th & 12th Students
