72ND INDEPENDENCE DAY CELEBRATION

The 72nd Independence Day was celebrated with great zeal and fervor at EPS campus. The ceremony started with the Head of School unfurling the National Flag followed by National Anthem and a very powerful and succinct speech not only by the Head of School but also by the students who highlighted the contribution of the forgotten Muslim heroes who fought for Indian Independence.

The investiture ceremony was also held on this occasion with oath taking of the newly elected student's council. The oath provides a clear outline to the responsibilities and duties of each member in the

council. The student's council this year comprised of 15 members and is the student's body elected to represent the students and carry out smooth functioning of the school. The school captain elected for this year is **Zohair Ansari** whereas **Zehra Ibrahim** got elected as the Head Girl and **Taha Syed Khalid** as the head boy.

May Allah guide them to serve their school community with complete honesty and diligence.

GRADE 3A ASSEMBLY

'Nothing is impossible to a willing mind'- Grade 3 A got in the shoes of Albert Einstein to prove this phrase.

Anchors started with creating an environment of suspense when they introduced the skit and asked the audience to guess the character. They displayed remarkable talents while doing the skit. They successfully conveyed the message that great efforts yield great results and failures are a stepping stone to success. They inspired the audience further when they discussed the life of various scientists and their works in the 'Incredible India' section. Many students were motivated by the life of Albert Einstein and wanted to contribute to the society the way he did. Kids even shared what Allah says in Quran: "Humans can only have that which they make efforts for" – 53:39

GRADE 3B ASSEMBLY

On 20th August 2018, Grade 3B brought to life the Mughal Era before the whole primary school. We started our assembly by taking our audience on a journey of Mughal Dynasty with great trumpets and drum sounds. There were many famous characters like Shahjahan, Akbar, Hamida Bano Begum, Qutub Uddin Aibak, etc. We visited monuments like Taj Mahal, Red fort Agra Fort, Qutub Minar and Humaryun's tomb. We exhibited our understanding of these monuments and the ruler who built them via dialogues. We even shared the reasons behind the construction of each monument. Our assembly was full of HD videos, royal characters in mesmerizing outfits, impactful sounds and authentic information. Overall it was a communicative event.

ESP hosted a dinner for the immediate families of our staff on 11th August, 2018. The idea behind the whole gesture was to thank and appreciate the role of our immediate family members' spouses and parents who stand by us every day and ensure we are up and running, while we are at the campus fulfilling our job responsibilities, they work hard back home to ensure we are stress free, comfortable and rejuvenated. It was also an occasion for staff families to know each other. The dinner was very well arranged by the admin team with comfortable seating and sumptuous food. The guests were all praises for the whole gesture and enjoyed their time at the campus to the fullest. It was an evening which is going to be cherished for a long time to come. **(By Gulrez Naqwi)**

EPS STAFF FAMILY DINNER

GRADE 3 C ASSEMBLY

As the month of August arrived the vibes of Independence were all around and so Grade 3 C presented the assembly on 13th August, 2018 on the theme-RIGHTS AND RESPONSIBILITIES GO HAND IN HAND. Students presented a skit showcasing how we tend to ask for rights without fulfilling our responsibilities. They also demonstrated that we should have the courage to stand up for our rights, through real life examples. The spectators were mesmerized with the performance and a powerful message was delivered by our students.

At the end, they waved the National Flag of India expressing Unity in Diversity. **(By Mariyam Hussain - HRT Grade 3C)**

INTER SCHOOL TAEKWONDO COMPETITION

Department of Physical and Health education organized an Inter School Taekwondo Competition on 10th -11th August 2018 under the auspices of Bhopal Taekwondo Association. Tournament was inaugurated in the presence of Jagjeet Singh Mann (International Taekwondo player), our school director Mr. Umar Jaffar, Dr. C B S Dangi (Dean Science Dept. RKDV), Shahadat Hussain (Secretary Bhopal Taekwondo Association).

Guests addressed the gathering and stressed upon the importance of games and physical activities for an overall development of students. In this competition approx. 250 students participated from 24 schools of Bhopal district. The competition was for Under 14 and 17 age group for boys and girls (both Kyorugi and Poomsae). The event focused and helped students identify a variety of styles and techniques in Taekwondo.

At the end winners were awarded with certificate and medals by the school Director and Guests.

In all, Inter-school tournament was a grand success because of the incredible efforts put in by of students, teachers and the principal.
